Walmart is confirming that it's developing a competitor to Amazon's juggernaut Prime membership program.

The [company](#) declined on Thursday to offer details, but a spokeswoman said it will be called Walmart+.

News website Vox first reported the news about Walmart's new membership program earlier Thursday and said the discounter would have certain perks that the online leader couldn't offer. Vox says that the Bentonville, Arkansas retailer will be publicly testing the program as soon as March.

The initiative comes as Walmart is locked in an arms race with Amazon to bring packages faster and faster to customers' homes. Amazon's Prime
